### Board of Management Election

Dear Parents/Guardians,

The term of office of the current Board of Management expires in October 2017 following its three year tenure.

A new Board of Management will be appointed by our Trustees in early October and will serve from October 2017 - October 2020.

The Board is composed of eight members as follows:

- Four members nominated by the trustees of the school (Le Chéile Schools Trust)
- Two parents / legal guardians of students currently in the school, elected by parents / guardians also currently in the school
- Two Teachers nominated by their teaching colleagues

The appointed 'Board' is referred to as a 'Body Corporate' as members of the Board do not act in a representational capacity. Rather they bring their respective insight to bear, arising from their particular experience and background.

In order to elect the two nominees from parents / guardians, a meeting of all parents who currently have children in the school will take place at the **AGM of the Parents' Association on Wednesday 4<sup>th</sup> October 2017.**

Please note the following procedures for the election:

- Nominations for the election should be submitted to the **Secretary, BOM, by Friday 28<sup>th</sup> September 2017.** A person may nominate himself/herself or be nominated by another person. All nominees and nominators must be parents of students currently attending the college.
- Each nomination must be accompanied by an endorsement signed by the candidate being nominated. Please see the attached **Nomination Form.**
- The names of candidates will be advised to parents on the night of the AGM.
- The election will be conducted by secret ballot and the successful candidate will be the person who gains the greatest number of votes in that ballot on the night.

A special debt of gratitude is owed to all those who serve on our Board of Management. This work is done on a voluntary basis and it requires a commitment in terms of time and goodwill that is, perhaps, sometimes taken for granted. With the involvement of parents, teachers and trustee nominees, our Board of Management represents a true example of local partnership in action.

We look forward to your support in this matter.

Yours sincerely,

Catherine Moynihan, Principal, Secretary to the Board of Management
